Price: Sold

In Nusle, I offered a practical, well-kept 53 m² co-operative 2+kk flat on the fourth floor of a well-maintained five-storey building. Its added value was the shared garden of the house, with room to sit, grill and let the children play.

I offered for sale a pleasant, practically laid out 53 m² co-operative 2+kk flat in V Zálomu street in Prague 4, Nusle, on the 4th floor of 5 in a well-maintained residential building. The flat had no balcony but shared the garden of the house. It was an interesting choice both for living in and as an investment, and it left room for further alterations to suit the new owner.
