In Staré Střešovice, I marketed a 5+kk apartment in a Purist villa dating from 1932. Its distinctive features included a gallery, a south-facing terrace and views of Ořechovka and Hanspaulka.

The apartment had 193.5 m² of floor area, an 18 m² terrace and a 2.2 m² loggia. The building had undergone a complete refurbishment and extension, combining restored original features with contemporary materials and technology.
